

2021 Springfield G&CC Tuesday Public Ladies League

Welcome to the 13th year of the Tuesday public ladies league. The league will start on Tuesday May 4th. This is an information sheet to outline some of the features and benefits of joining the league. The ladies league is a non-competitive league designed as a social outing to meet new people, enjoy some beautiful weather, interact and network with other members over drinks and dinner after your round.

NOTE (COVID requirement)- Please note that due to Covid requirements, we please ask that you make a tee time in pro shop prior to showing up. We are not allowed to take walkins, you must have a tee time to come to the course.

Also the back patio located across from the pro shop will be open for the year if you want to stop after the game and have a cocktail.

The membership fee to join the league is \$20.00 HST included and some of the benefits and features are listed below. (The first 15 ladies to sign up will get \$5 off their green fee on their first visit to the club)
