

# 2025 Springfield G&CC Tuesday Public Ladies League *SOLD OUT*

Welcome to the 17<sup>th</sup> year of the Tuesday public ladies league. The league will start on Tuesday May 6th. This is an information sheet to outline some of the features and benefits of joining the league. The ladies league is a non-competitive league designed as a social outing to meet new people, enjoy some beautiful weather, interact and network with other members over drinks and dinner after your round. The back patio located across from the pro shop will be open for the year if you want to stop after the game and have a Cocktail/Dinner.

The membership fee to join the league is \$20.00 HST included and some of the benefits and features are listed below.

Discounted green fees \$27(Tuesdays only) regular 9 hole fee is \$38 so you save \$11 each round

- The tee sheet is blocked from **3:20pm-5:50pm** every Tuesday for the ladies league. Please arrange tee times through the pro shop up to 7 days in advance. To get the discounted rate you must play within these times
- Weekly specials in the spikes lounge/patio after your round (drinks and food)
- Discounts in the pro shop on regular priced merchandise (13% off apparel, gloves, bags and shoes. Yellow priced discounted items do not apply)
- Discounted rate of \$3 for pull carts (9 holes), and power cart rate of \$10 for 9 holes
- The pro shop will also be sponsoring a monthly draw for 3 prizes in June, July and August. The prizes will include a pro shop gift certificate and an LCBO gift card etc.. This draw is complimentary and anyone that joins the league will automatically be entered each month
- Closest to the Pin contests on hole #4, longest putt made #9 (various specialty prizes throughout the year)

Last year the season started out great we had a full tee sheet each week and many of the players stayed after their round for drinks/food and it was a great social evening. However, after about the 4<sup>th</sup> week, bookings started to dwindle and had an increase in un booked tee times. In order for the course to operate efficiently and profitably we need to maximize all of our tee time inventory. We also saw an increase in no shows (not weather related, and short bookings (booking for 4 players and having 2 show up). For perspective, a public group taking carts at 4pm for 18 holes costs about \$75/player vs \$27 9 hole league rate(\$37w/cart) We do enjoy hosting the ladies league and hope that it can continue. This year we are going to cap the league at 64 players and anyone who was a member last year will have priority booking back into the league, if we still have room after registration, we will open it up to new league players.

If you have any questions, comments or suggestions for the ladies league, please feel free to contact me.

Sincerely,
